I would like to oppose this proposal for the following reasons:

- 1) It will increase congestion traffic
- 2) Increase the noise. It all residential from 8 mile to 11 mile.
- 3) Potential to impact home foundations
- 4) Create a bottle neck at 8 mile, which will not have 5 lanes

THE PROPOSED WIDENING OF BECK RD. WOULD BE
MORE ACCEPTABLE IF LARGE COMMERCIAL VEHICLES WERE
PROHIBITED BETWEEN 9 MILE AND 4 MILE. INCREASING
THE NUMBER OF TREES AND FOLIAGE WILL DO NOTHING
TO REDUCE THE ROAD NOISE THAT THE PROPOSED
ROAD WIDENING WILL INTRODUCE.

I Strongly oppose the proposed road widening project behind my home. Expanding from 2-lane to 4-lane will significantly reduce my property value and drastically increase noise pollution in my backyard - directly impacting my family quality of life. This project prioritizes traffic flow at the expense of established roads and long-term well being. I urge the committee to reconsider this plan and explore alternatives that protect the integrity and livability of our neighborhood.

THE AREA BETWEEN 9 MILE AND GRAND RIVER IS
RESIDENTIAL—MANY HOMES AND CONDOS ARE CLOSE TO BECK.
WIDENING THAT SECTION IS DETRIMENTAL TO THAT SECTION.
NOVI RESIDENTS IN THIS SECTION WISH TO KEEP IT IN THE
SAME WAY IT IS NOW, AS DO NORTHVILLE RESIDENTS!

ACCIDENTS HAPPEN WHEN SPEED LIMIT IS TOO HIGH.
BUSINESSES THAT WANT THE WIDENING CLOSER TO GRAND
RIVER CAN BE ACCESSED VIA GRAND RIVER.

I'm against this project because my backyard faces Beck Rd. and the road expansion adversely affects my living condition as results of increased traffic and vehicle speed increase.

Also, I doubt the traffic easiness with the road expansion because the most congested area on Beck Road is between 6 mile and 8 mile. Without expansion of this section, benefit of this project will be minimal.

COMPLETELY AGAINST THIS PROJECT.
THIS IS ONLY WANTED BY THE
BUSINESSES IN WIXOM WHILE NOVI
RESIDENT WILL BE FORCED TO DEAL
WITH ADDED NOISE, POLLUTION, AND
SAFETY ISSUES. THE CITY OF NOVI
NEEDS TO VOTE AGAINST THIS PROJECT

-development behind me
was caught draining wetlands

- Lived here since 1985
- enforce speed limits
- railroad track needs Bridge

concerns are ① Trying to get out of my drive across 2 lanes instead of the 1 I have to get out now.

② How far into my yard is the new Road going to take? - When will Talks about money for the easment happen?

③ more minor concerns - mailbox, planting's

④ How long will 'my' section take - will I have at least one drive way open at all times?

⑤ noise

⑥ lighting

⑦ Just heard Homeowner has to pay for sidewalk??

⑧ widening to spend Fed. money or lose it - not good

⑨ Light but, 96/west to give some open spots for me to get out of driveway

I am against widening Beck Rd south of 11 Mile. This will only encourage more traffic and add to the noise and light pollution. I can see widening the road to 3 lanes, with one of them being a dedicated left turn lane.

A big reason for the increase in traffic over the past 20 years has been the development in South Lyon. They have not widened any of their roads, and that is an option that should be explored. Napier could be paved with the ability to add an entrance/exit ramp to the expressway.
